This is MY Library
A personal tour in print

The purpose of this book is to help pre-teach what the structure and routine of a library experience will be like. With this book, individuals will gain a visual familiarity of their own library so that they can feel comfortable during their visits, and be able to use the services.
This is my library.

This is the Willoughby Public Library. There are books I can read, toys I can play with, and programs I can attend.
The first thing I will see is the Check Out Desk.
If I am going to a program, I might stay on the first floor and go to the meeting room.

There are bathrooms and water fountains by the room.
When I’m ready to go to the Children’s Room, we have to go to the second floor.
On the second floor of the Library I will see computers and the Information Desk.
This is the entrance to the Children’s Room.

The Children’s Room is where I can go to find books, movies, music, puzzles, and computers that I can use.
This is one of the librarians in the Children’s Room at my library.

I should ask her if I need help.
The library has books I can read and borrow.
My library has tables where I can sit and read.
My library has many toys to play with.
I can sit and read in the fire truck
Here is the train table and puppet theater that is in the Children’s Room at my library.
There are 4 computers for children in the Children’s Room.
This is a library card.

Having a library card at my library lets me check out things like books, DVDs, CDs, movies and music.
I go to the Check Out Desk to get a library card and to borrow items.
We’re ready to leave the Library, but we can come back soon!
